

## Kite Fight

(Registration Fee Rs. 100 per head)

- The number of participants in a team must be two.
- While competing, if any part of the competitor's body moves outside the periphery, then team will be disqualified.
- All Material will be provided by university itself.
- The measured length of string will be provided to each team.
- Only one kite will be provided to each team (for minor damage glue and white tape will be provided).
- Time for each fight will be 15 minutes.
- Winner will be qualified only when his/her kite will safely land on the ground after the kite fight.
- String will change in every round.
- There will be three round to get the best kite fighter:
  - Quarter final round:- There will be random pick of the participants for the kite fight in a column of 6 adjacent to each other in arena provided to them(there will be the group of 6 teams). Among them we will select the one whose kite lasts in the sky.
- From here we will get the semi-finalists.
- Semi-final round:-Same process will be followed to get the

finalists.

- Final round:-The one's whose kite last in the sky will win the competition.

Decision of judges will be final decision.
